Parmetheus™ Series Super-LED® Lighting

LED lighting is the ideal technology for aviation applications. Whelen LED lights are time and field-tested for reliability and long-life performance under the tough conditions required by Fire, Emergency, DOT and Law Enforcement professionals around the world. Parmetheus PAR-36 Super-LED lights are a drop-in replacement for outdated Halogen or HID lamps. Lightweight, low-current and moisture resistant, they provide stable light output for thousands of operating hours.

- Direct replacement for outdated PAR-36 Halogen and HID lamps.
- First FAA Approved PAR-36 Super-LED for Aviation applications.
- Stable light output for thousands of trouble-free operating hours.
- Available in Landing and Taxi versions.
- Convenient “Drop-In” design for ease of installation:
 - Power wiring attaches to brass screw terminals.
 - Weight is virtually identical to previous PAR-36 lamps.
 - Assembly design includes clocking notch.
- Polycarbonate, replaceable, hard-coated outer lens.
- Metal, heat dissipating coated housing.
- Whelen TIR™ (Total Internal Reflector) technology, combining spot and flood optical combination, resulting in superior in intensity and effectiveness.
- Proudly designed and manufactured in the USA.
- Three year warranty.
